

360° FEEDBACK & COACHING

Why invest in 360° feedback with a coaching session?

Leaders who engage in 360° feedback assessments see growth in team effectiveness, self-awareness, and performance. Companies who pair this feedback with coaching not only accelerate growth, but see an increase in effectiveness **3x** higher than with feedback alone.

✔ More than **85% of Fortune 500** companies use 360° Assessments

✔ **58%** of organizations top priority is closing skill gaps

✔ Only **14%** of CEOs have the leadership talent they need to grow

Reviewing feedback isn't enough, empower action through...
